COME OUT AND PLAY WITH NORTH READING RECREATION!

I would like to thank the community for supporting our programs again this past summer. We had a great summer with wonderful weather and amazing kids!

I would also like to thank the community for their very generous scholarship donations to make it possible for North Reading children to participate in programs all summer long staying safe and active. I am always so pleased with the way this community gives back. I can assure you the children blossomed in these programs!

This fall we are expanding by offering our Saturday morning classes for tots. We have also added some new after school courses for school age kids. We are bringing back your favorites like Way cool Cooking, tennis, basketball and fencing and have added Stitch it up, or Crochet or Engineering Extravaganza! Our Special Events and half day schedules are chock full of fun. Register early so you don't miss out as our class sizes are limited.

Our annual Holiday trip to NYC is back and is sure to be a favorite tradition if it isn't already! Don't plan your weekends before browsing our discount ticket page. It is sure to have something for every family.

And finally don't forget to support our annual fundraisers to help support bringing a community center to North Reading. Our Commissioners Cup golf tournament is on September 30th, see page 5. Look for details on our Wine and Food Social in the next brochure. Friends of NR P & R is active raising funds as well to improve our parks and programs. Please take a look at their events on Page 7.

I look forward to seeing you all in our parks and programs throughout the fall season. season
